Dear Mr. Tait:

Re: Revised Notice of Intention, Geneva Steel, Iron Mountain Mine, M/021/008, Iron County, Utah

Thank you for forwarding a copy of the Plan of Operation number UTU-71131 for Geneva Steel's proposed expansion onto federal lands at their Comstock/Mt. Lion Iron mine waste dump. The Division is also in receipt of this Notice and will be reviewing and approving it under a current mine plan revision application. We do not anticipate granting approval on this revised application until the fall of 1993.

Thank you for keeping us apprised of any changes to this plan. If you receive additional information for this project, please reference our file number M/021/008.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
